Dear Doctor of Chiropractic,

Thank you for your interest in joining the Chiropractic Doctors' Association of Hong Kong (CDAHK), the largest and fastest growing chiropractic association in Hong Kong.

Please be reminded that CDAHK's policy prohibits dual membership in any capacity with any other chiropractic associations within Hong Kong. This includes such posts as full members and education advisors, etc.

As Hong Kong's largest chiropractic association, it is CDAHK's mission to promote chiropractic to the general public. We have and will continue to put forth much effort and resources for the benefits of our members and the chiropractic profession. As such, to avoid conflict of interests and to maintain the integrity of CDAHK, we offer CDAHK benefits and privileges exclusively to our members.

Please be reminded that any violations of the above stated policy will result in immediate suspension of the member's CDAHK membership. The member shall be given a 14-day grace period to resolve the matter before his/her CDAHK membership is revoked without further notice. No refunds of membership fee and other paid dues will be given.

We thank you in advance for your attention in this matter, and look forward to working as a team with everyone in promoting chiropractic.

I have read and thoroughly understand, and shall comply with the policies of the Chiropractic Doctors' Association of Hong Kong.
